- ✓ More than 8000 MSMEs and more than 40 Large Enterprises in the Food Processing sector.
- ✓ Single window solution for all regulatory clearances of allied food industry.
- ✓ Haryana is a strategically located State in North India with 2/3rd of the State lying in the NCR Region, well connected by Air, Railway & Road Network with rest of the country and around 21 National Highways pass through Haryana.

No. 1

State in Cereal exports

35

Lakh + acre
Major paddy cultivation state

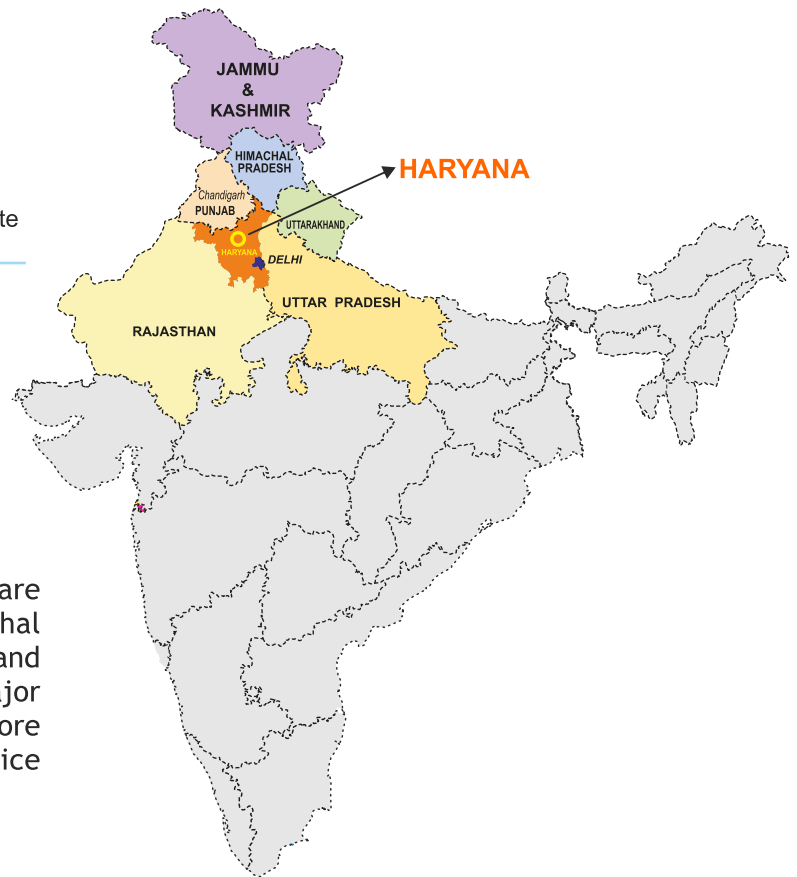

70

Lakh + MT

Major Rice producing state with production

11

Million +
Extensive Wheat production

Neighboring States

The areas of basmati rice production in India are in the states of Punjab, Haryana, Himachal Pradesh, Delhi, Uttarakhand, Uttar Pradesh and Madhya Pradesh. In India, Haryana is the major basmati rice cultivating state, producing more than 60 per cent of the total basmati rice produced in India.

About Haryana?

Haryana is the **largest exporter of basmati rice**. Haryana is a producers of export quality hi-tech world famous 1121 basmati rice and also superior quality PR 11/PR14 non basmati rice, **manufactured by modern hi-tech rice mill plants**.

There are hundreds of food processing plants ready to come in Haryana (a part of NCR) and its surrounding states and countless numbers of installed plants are in the upgrade mode. Due to pollution & non confirming areas policy by Delhi govt many industries are forced to shift in outskirts NCT area of Delhi, which will create an opportunity of big business and shifting towards Haryana Food Parks situated in Rohtak and Sonipat.

Haryana's Mega Food Park

District Name	Comes Under	Investment Leverage (Rs. in Cr.)
ROHTAK	Haryana State Cooperative Supply and Marketing Fedration Limited (HAFED)	129.7500
